

The Tree House welcomes field trips from preschool classes throughout the school day. Teachers must schedule their field trip a minimum of 1 week prior with Program Assistant Andra Ziemnick at 482-9363

- Classes may schedule a field trip during open play hours or by special appointment.
- The capacity of the Tree House is 25 children at one time. Please consider this when scheduling your field trip – large classes may want to schedule a closed session as KFRC will not exceed the full capacity limit. If you class has children who are 5 – you must schedule your visit during a closed session.
- All children (and adults) must be wearing socks during their time at the Tree House.
- ALL children must have a waiver signed by a parent or guardian (please use the updated form available at www.kfrckids.org). Teachers must bring these forms with them on the field trip! Children without waivers present will not be allowed to play.
- Teachers must bring their attendance roster to the Tree House
- All other Tree House rules apply (see membership book available at www.kfrckids.org)
