

When to Stay Home from the Tree House

Flu season is just around the corner. It can be difficult sometimes to determine what symptoms meet the criteria for staying home so we've compiled a helpful list. If you or your child has any of the following symptoms, please stay home from the Tree House. Remember that proper handwashing is the easiest way to prevent the spread of germs.

- Fever of 100 degrees or higher
- Wheezing or shortness of breath
- Hard cough
- Constant runny nose with yellow or green tint
- Lethargy
- Diarrhea or vomiting in the previous 24 hours
- Redness or runny eyes
- Sore throat or swollen glands
- Undiagnosed rashes
- Open sores
- Red or inflamed eyes with drainage
- Rash with fever
- Lice or nits
- Any child that has been to a doctor and diagnosed with an infectious disease
